Scholarships for At Risk Youth Any donation accepted.

This is not a recognizable sponsorship level, but is a scholarship for those kids who can't afford to pay for their registration fee to participate in Nephi Recreation activities. When you donate to this cause, you are helping the community's at-risk youth. These youth are recommended to Nephi Recreation from Juab School District and receive free admission and jerseys for at least one sport a year until the child's economic situation allows them to pay for their own activity fees.
